It's a scam!

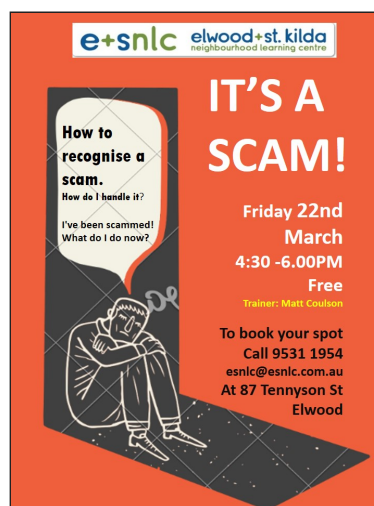

Friday 22nd March 4.30-6PM

Trainer: Matt Coulson

We have had a lot of people coming to our House and in Elwood mentioning scams they have come across or needing help because they have been scammed.

So as well as helping people on an individual basis, we have decided to have a **free class on how to recognise a scam**, common scams and what to do when you are scammed.

We have asked a local community member to volunteer to deliver the class and they have generously agreed.
