ESNLC is a not-for-profit community based Centre that provides affordable adult education programs and community support over 5 locations. Our day time programs deliver support assisting those most disadvantaged in the community, empowering individuals to overcome educational gaps and social isolation. For everyone ESNLC offers affordable Computer & Internet access and printing. There is also multipurpose space available for a wide range of other community or family activities and clubs.

Becoming a member will help support ESNLC to increase community awareness of the services that it provides to the community and build local involvement with you becoming a representative of a significant locally based Not for Profit community-based organisation.
