Part 1 words and music: Anna Robertson © 2020

Part 2 words and music: Jeannie Marsh & James Hodson (inspired by Celia Cruz) © 2022

Part 1

The sand and sea, the smiling eyes,
The scent of coffee and crispy fries,
We love our town and its monthly fair,
The seagulls and dogs in the open air.

The Canal is there to walk beside,
The kids on their bikes going for a ride - "WATCH OUT!"
Let's all feel good doing what we should,
And get back to loving our old Elwood!

Part 2 - Conga Finale

I walked the Elwood Trail
I saw the Elwood sights
I sang down very low
And sang upto the heights

Chorus

So now it's time to conga

At The King of Tonga

Let's all do the conga

At The King of Tonga!

REPEAT CHORUS

Cocktail!

Mocktail!
