

Round the Cape

Melody lyrics: ***Parting at Morning*** by Robert Browning © 1845

Drone lyrics: traditional

Music: Jeannie Marsh © 2020

DRONE

Heave and haul away

Repeat Drone many times

MELODY

Round the cape of a sudden came the sea,

And the Sun looked over the mountain's rim:

And straight was a path of gold for him....

And the need of a world of men for me.

Repeat Melody
