Membership of Elwood St. Kilda Neighbourhood Learning Centre Inc. (ESNLC) is open to residents, employees, employers, volunteers or students over 18 years of age within the City of Port Phillip and neighbouring LGAs. Regular user groups and local community groups are eligible to apply for membership of ESNLC as an entity, to be registered as a single member.

ESNLC is a not-for-profit, community based centre that provides quality adult education programs and community support. Our programs aim to cater, within a supportive environment, to the needs of those most disadvantaged in the community, empowering them to overcome educational gaps and social isolation. Government funded and low cost student placements are available in pre-accredited, and general courses that focus on English as a Second Language, Literacy, Numeracy, Art and Computer Skills. ESNLC also offers support and space for a wide range of other community activities and clubs.

Becoming a member will help support ESNLC to increase community awareness of the services that it provides to the community and build local involvement.

Our Vision

To be a warm, vibrant and inclusive hub, supporting, educating and empowering members of the Elwood and St Kilda communities, with links to surrounding communities.
